

AUDITION FOR HANNA

HANNA: Ask Jackson to grant Ani access.

AMBER: No! And who is this? And how are you in my head.

HANNA: Technology, and someone who you don't want to know. Grant Ani access or the whole school will know your dirty little secret.

AUDITION FOR EMILY

ANI: Enjoying your experience?

EMILY: Yeah, but do you listen to all our conversations?

ANI: Yes, I do.

EMILY: But why do you need access to the eye piece? I thought you had access already.

AUDITION FOR JACKSON

EMILY and Amber: Sure, why not?

JACKSON: (skeptical)

I don't know. This thing is connected to the internet. Just remind me later Ani.

Emily looks at Jackson.

JACKSON: I'm just saying that what Ani just said doesn't even sound like her.

AUDITION FOR AMBER

AMBER: (surprised)

Oh my gosh! Jackson! You got one of these things too.

JACKSON: Yeah, have you meet the creepy AI of the eye piece. I forgot what's her name-

AMBER: Ani, but the weird thing is that she knew my name before I had to set it up.
